

Dasher

A Smart Delivery Companion

DASHER

A Smart Delivery Companion

Dasher is not just a delivery robot; it's a transformative force in the world of in-house deliveries, poised to revolutionize the way restaurants and businesses approach customer service. With Dasher, the future of efficient, reliable, and customer-centric deliveries is here.

Increased Turnaround Time

- Exceptional speed and agility
- Swift delivery completion
- More customers served in less time
- High revenue potential and operational efficiency

Enhanced Customer Experience

- Customers receive orders promptly
- Orders delivered with a smile and interaction
- Smoothly navigates crowded spaces
- Timely deliveries even during peak hours

Optimized Business Operation

- Takes over repetitive and time consuming tasks
- Staff can focus on other aspects of business
- Improvement in customer service
- Enhance food quality control

Upscale the in-dining experience

- Enhances dining experience of your patrons
- Considerably reduces delivery errors
- Ensures food is delivery piping hot
- Customers can savor food at peak freshness

Key Features

10+ Hour Battery Life

Dasher doesn't just go the extra mile; it goes for hours! With a remarkable 10+ hour battery life, Dasher ensures that it's always ready for action, keeping your deliveries running smoothly.

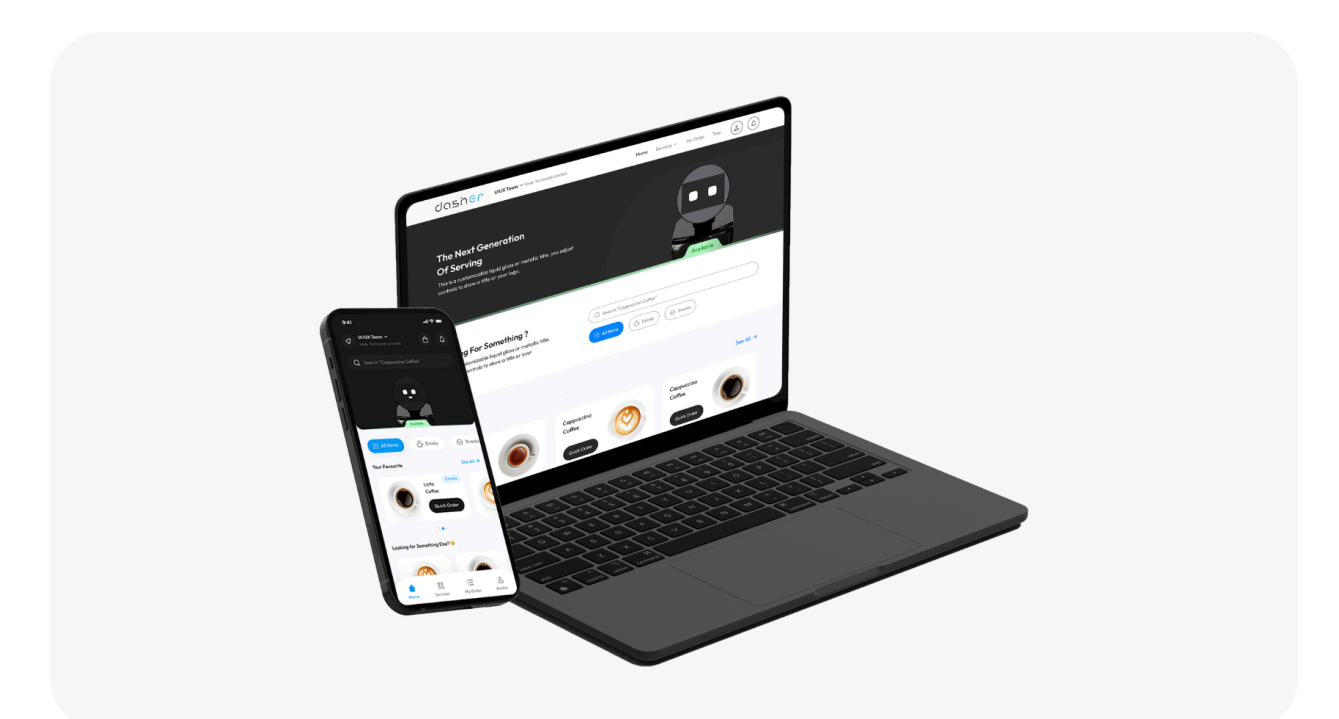

Smart Obstacle Avoidance

Dasher is designed with your convenience and safety in mind. Our cutting-edge Dual SLAM technology ensures that Dasher can expertly navigate through busy environments without any hiccups.

Independent Suspension

Dasher features an Independent Suspension System, guaranteeing stability and precision in any environment. Whether it is an uneven surface or an obstacle, Dasher will sail through with ease.

Centralized Dashboard

With Dasher's Centralized Dashboard feature, you can effortlessly monitor and optimize multiple Dasher robots, customize menus and manage orders with ease.

Additional Features

 Automated charging

 High-speed capability

 Efficient order tracking

 Adorable bionic design

 Easy menu customization

 Low noise mode

Experience the Future of Deliveries

Effortlessly manage your restaurant & Dasher from one place.

Admin Interface: **Manage your restaurant operations**

Crafted with precision, our admin panel streamlines every facet of your restaurant's operations, ensuring not only smoother engagements with Dasher deliveries but also providing a holistic management solution.

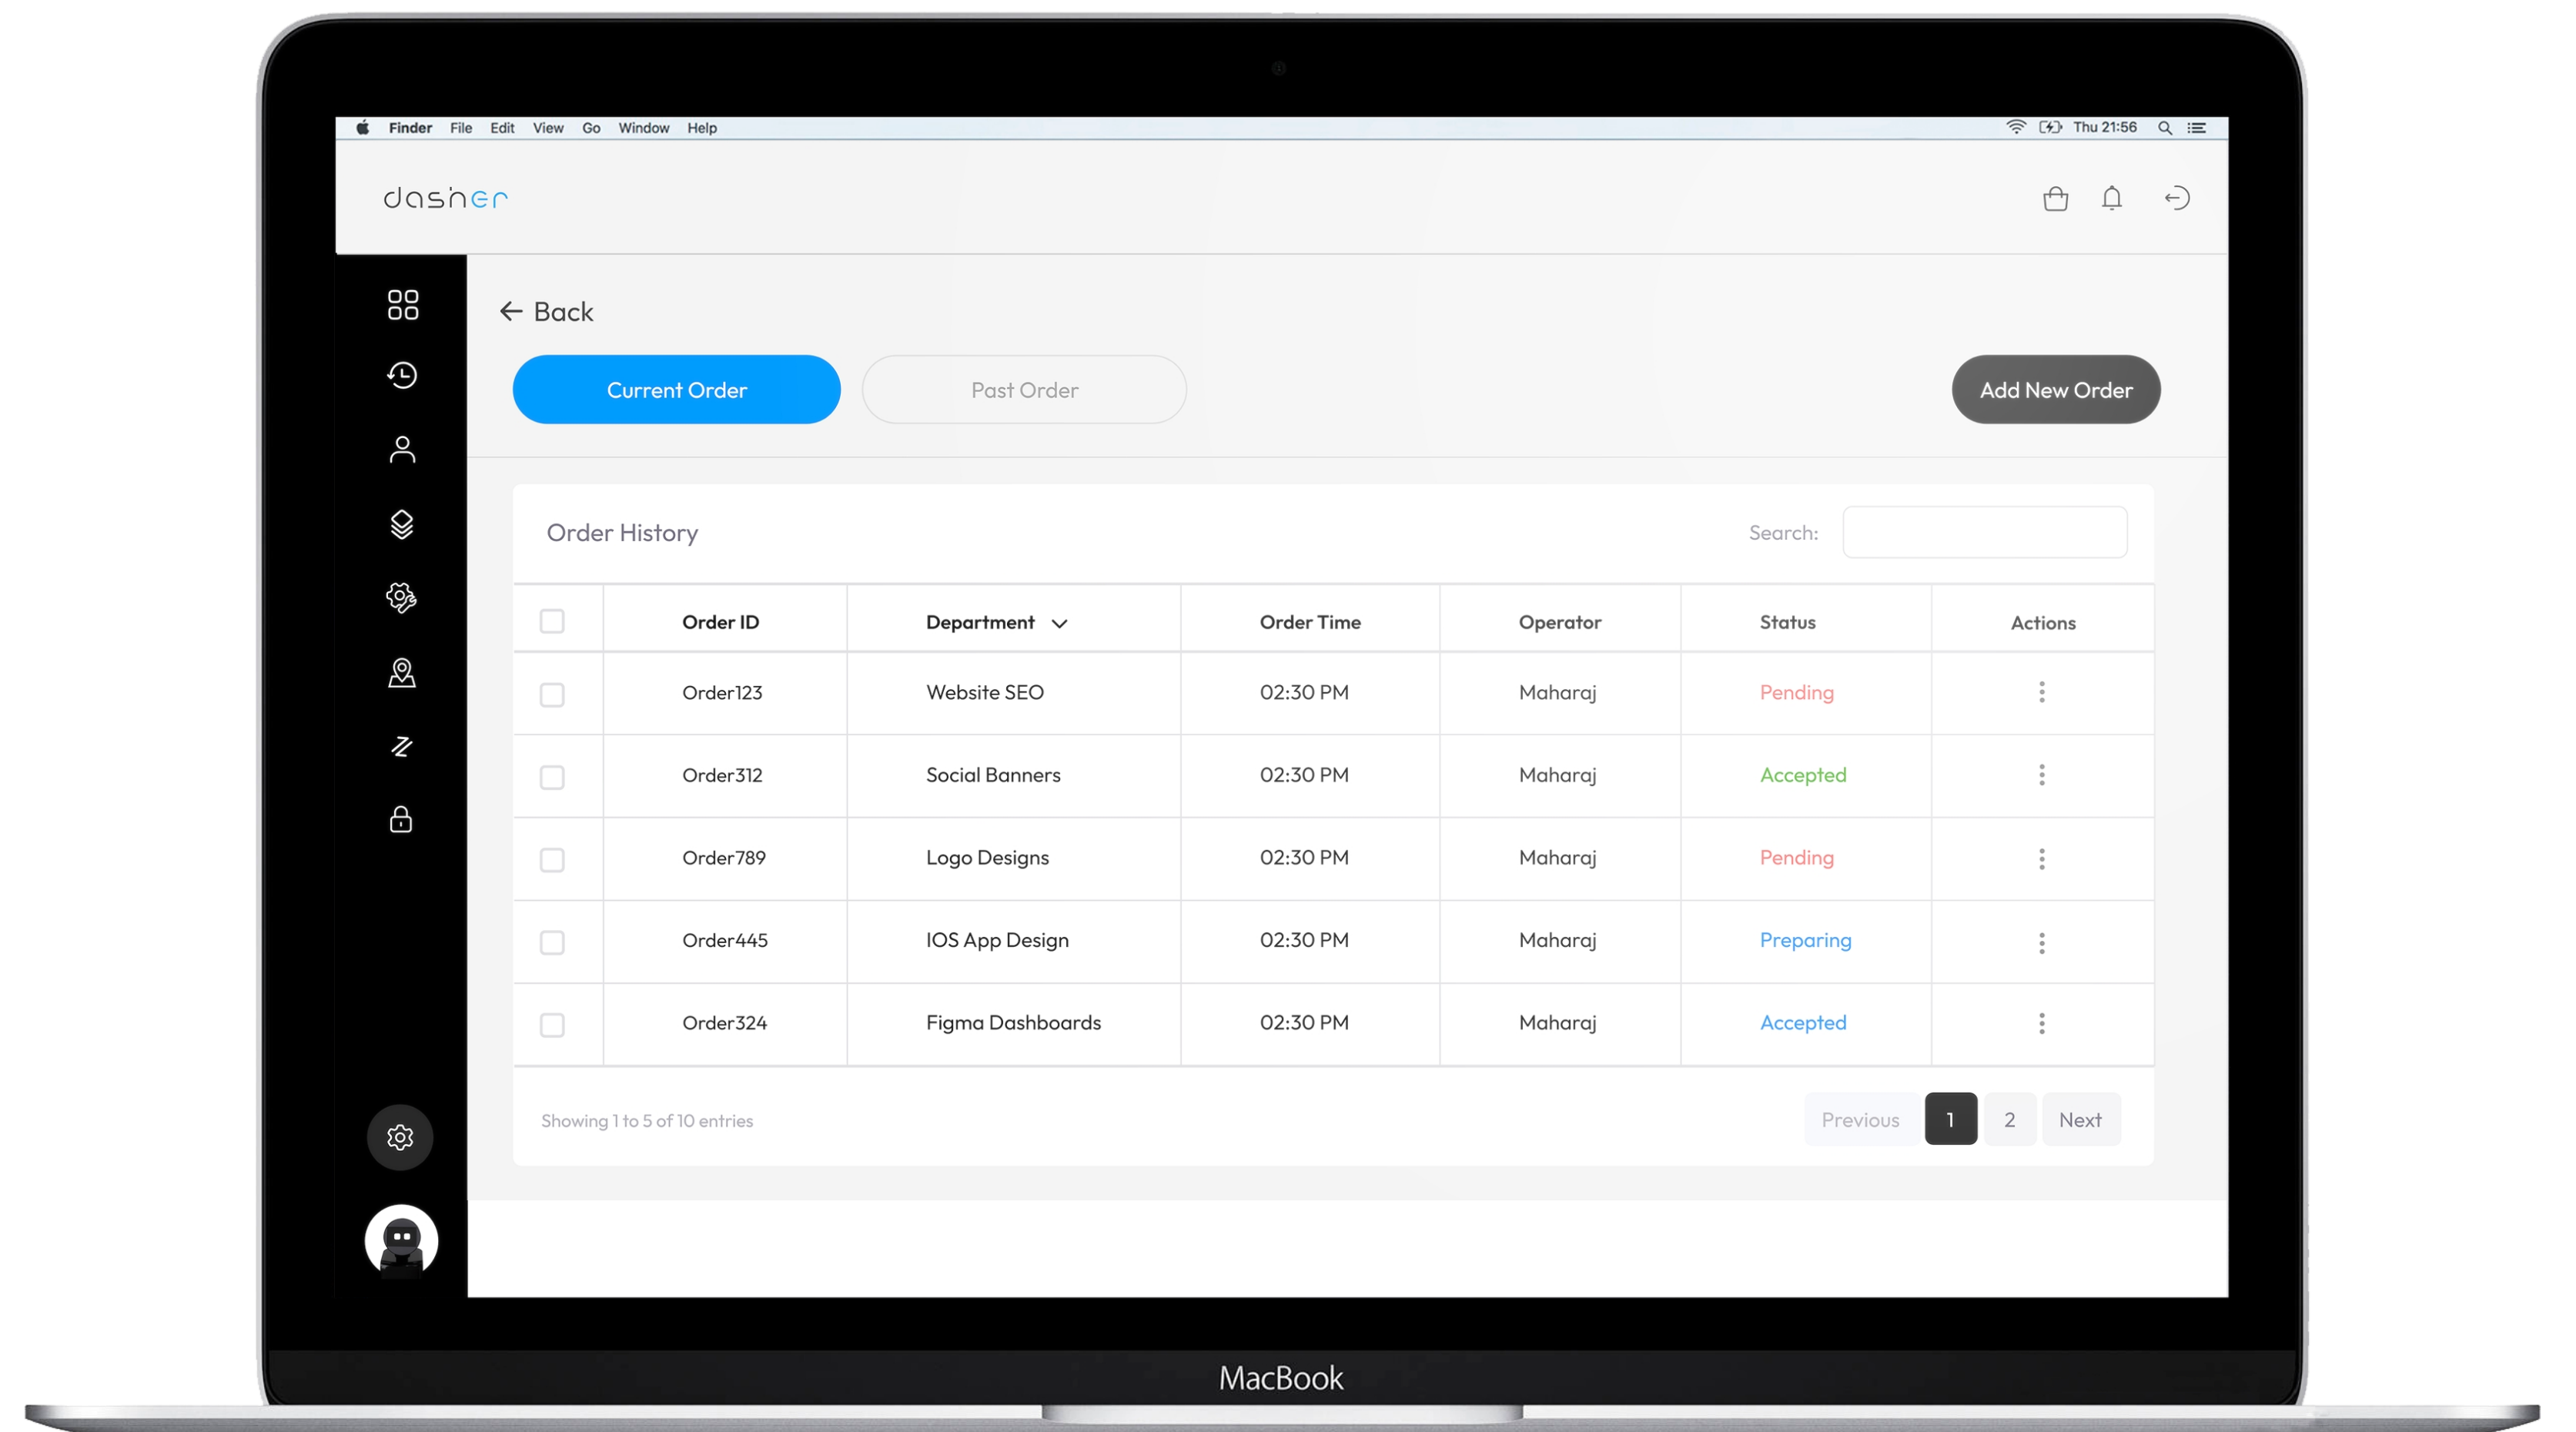

- ✓ Intuitive management dashboard
- ✓ Real-time delivery monitoring
- ✓ Detailed analytics & reports
- ✓ Employee management solution
- ✓ Inventory control

Operator Interface: **Simplified order management**

Empower your team to effortlessly manage incoming orders, optimize delivery routes, and elevate the customer experience. With seamless integration into Dasher, this software acts as your eyes on every delivery, guaranteeing a fluid and efficient workflow.

- ✓ Effortless order handling
- ✓ Real-time order tracking
- ✓ Order-to-tray allocation
- ✓ Prioritized dispatch
- ✓ Dasher configuration controls
- ✓ Inventory management

Customer Interface: **Effortless dining experience**

Offer your customers a heightened level of convenience and control when they dine at your restaurant or cafe. Our customer interface enables your patrons to order, track deliveries, and enjoy personalized services effortlessly.

- ✓ Effortless ordering
- ✓ Quick reordering
- ✓ Service requests
- ✓ Secure payments
- ✓ Real-time order tracking
- ✓ Notifications & alerts
